Department

Toumazatos Andreas

Industrial Placement Programme Manager of Hotel and Tourism Management
Department.

Mr Andreas Toumazatos first teaching placement was at the National Organisation of Tourism Education and Training – OTET in Nafplio.

After a year he was transferred at the OTET school of Anavyssos and a year later at the Head office of the National Organisation of Tourism Education and Training- OTET where he worked at the “International and Public Relations office” and was responsible to contacting and liaise with several EU universities and EU programmes, seminars, competitions and exhibitions were OTET was involved as member.

He also worked for a year with the following Hotel and Culinary schools such as Le Monde, Xini IEK and Glion Institute and Hotel school in Athens.

After that he worked as a Senior Lecturer and the F&B Manager at Alpine Center Swiss Hotel School in Athens for 5 years, while he was also placed during the summer periods at the Admissions and Marketing and Sales department where he visited and recruited candidates and presenting the Master and the Bachelor degree programme to several High schools and Universities from Eastern Europe.

Then M.r Toumazatos was “promoted” to the mother school of Alpine Center the Cesar Ritz (ex DCT University) in Luzern, Switzerland where he worked for two academic years.

He then returned back to Athens Greece and worked as the Educational Director of INSETE as well at BCA - London Metropolitan University as the Ass. Head of the Hospitality department.

In addition he is also Head of the International recruitment department and the Educational network project that he established the last 5 years with direct links and co-operations with Educational agents from Greece, Cyprus, Russia, Ukraine and Serbia.

In addition to the above, the Internship Educational programme he has created and supervised all these years was awarded by the Greek Tourism Awards with the title of the “Best Educational Internship programme in Greece” for 2019 while also been appointed by InterContinental group as an “exclusive partner” with IHG Academy allowing the hotel brand to recruit students of the department for their “future global managers program”!

Today he is the Associate Head of the Hospitality and Tourism Department of BCA validated by Plymouth University and among his administrative and industrial networking tasks his teaching subjects are International Food and Beverage Management, Human Resource Management in the Hospitality Industry, Introduction to the Events Industry as well Change and Innovation in the Hospitality Industry.

Degrees:

MSc Hospitality Management and Tourism, Bournemouth University

BA (Hons) Hotel Management, University of Wales

HND in Hospitality Management, Dundee Angus College of Further Education

HNC in Hospitality Operations, Dundee Angus College of Further Education

National Diploma in Hospitality Operations, Organisation of Tourism Education and Training - OTET

Dr. Giannopoulos Antonios

BA Hospitality and Tourism Management and MA International Hospitality and Tourism Management Programme Manager

Dr. Antonios Giannopoulos holds a PhD in Marketing & Communication and an MBA from Athens University of Economics & Business. Research based on nationwide data collection in collaboration with 500 hotels [supported by SETE—Greek Tourism Confederation & regional associations].

In a progressive career path with particular focus on bridging the marketing academic/practitioner gap, he specialises in the services industry with solid academic background and accumulated practical experience. He has performed professional achievements within research organisations, the

services industry and dynamic innovation ecosystems, along with proven publication and presentation record of marketing knowledge on practices addressed to managers, employees and customers.

He is currently Programme Manager of the BA Hospitality and Tourism Management, MA International Hospitality and Tourism Management at the Hotel and Tourism Management Department of BCA, with supervisory activities on the academic operation and development of the department.

He has presented works and scientific publications on destination branding, market orientation and internal marketing, combined with invited speeches on hospitality, tourism and cultural diplomacy. In cooperation with local and international media, he has also published articles on marketing, branding, travel and tourism, acting as a foreign correspondent at international events such as ITB Berlin [www.itb-berlin.de/en]. He is also founder and editor of "the voyager voice" [www.thevoyagervoice.com].

Served as Marketing and Communication Manager at Corallia [<http://www.corallia.org>] with acquired knowledge on innovation cluster services and youth entrepreneurship initiatives, ensuring the implementation of the corporate marketing communication strategy. Throughout the years, he has provided consulting services in the field of destination management and tourism satellite account, customer satisfaction and guest loyalty [Athens Laboratory of Research in Marketing – www.alarm.aueb.gr] and collaborated with the European Marketing Academy [www.emac-online.org].

Also served as an auditor and registered expert for EU programmes and organisations at national and European level. As an official representative in the European Council of Doctoral Candidates and Junior Researchers [www.eurodoc.net], he participated in special workgroups in the frame of the European Research Area.
